The screenshot displays the RollerCoaster Tycoon 2 game interface. At the top, it shows 334 guests and a cash balance of \$4,913.50. A 'Financial Summary' window is open, showing a table of expenditures and income for June, July, August, and September. Below the table, it indicates a loan of \$5,000 at 10% per year, a park value of \$38,159, and a company value of \$38,068. A 'Haunted Harbour' ride window is also visible, showing 334 guests in the park and a monthly guest count graph.
